FROM OUR STRICKEN PORT.

THE BARK S. C. ALLEN CARRIES AWAY THE NEWS.

The Ship John McLeod With Coal From Newcastle—Other News Along the Wharves.

No passengers allowed to depart today.

The steamer Mikahala leaves for Kauai tomorrow afternoon.

The barkentine S N Castle leaves for San Francisco at noon tomorrow.

The steamer Claudine leaves on the Kinau-Hawaii route tomorrow afternoon as usual.

The British wooden ship John McLeod, James B Stuart master, docked at New Fort street wharf at 10 o'clock this morning, 50 days from Newcastle, with 2401 tons of coal for Wilder & Company.

No passengers from this port will be taken on the Pacific Mail liner Coptic due here from Yokohama, en route to San Francisco, Sept 19th. A Raymond-Whitecomb excursion party is on board, and occupies all available cabin accommodations.

The steamer Waialeale brought in 626 sacks sugar from Honolulu for Schaefer & Co., and 28 head cattle from Cornwall's ranch for the Metropolitan Meat Company, on last Saturday afternoon. She returns to Hamakua via Lahaina tomorrow morning.

Kinau wharf was crowded with people at two o'clock this afternoon to witness the departure of the bark S C Allen for San Francisco. She carried fifteen cabin passengers, and a cargo of 850 tons of freight, including sugar, wool, whiskey and general effects valued at \$51,000. Captain Thompson felt as proud as the commander of a trans-Pacific liner, and it probably occurred to him that the band should have played him away from the wharf. He got \$300 bonus out of the passengers for leaving this afternoon instead of waiting until his regular sailing day—next Thursday. The Allen expects to make San Francisco in about 20 days.

MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. I personally endorse its action and give the public my solemn guarantee that it has been tested in every conceivable way, and has proved itself the only Hair Specific. It stops hair-falling immediately and creates a luxuriant growth. Contains no injurious ingredient. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS, it is specially recommended.

All druggists Price \$1; also Yale's Skin Food, \$1.50; Yale's Complexion Cream, \$1 Yale's Face Powder, 50c; Yale's Beauty Soap, 25c. Mme. Yale, Health and Complexion Specialist, Temple of Beauty, 146 State st, Chicago. Guide to Beauty mailed free.

TO OWNERS OF BUILDINGS.

The undersigned having purchased the exclusive right, title and interest for the

Manufacture and use of the PEERLESS PRESERVING PAINT in and for the Hawaiian Islands, desire to call the attention of owners of Buildings to the superiority of this Paint for the purpose of Preserving Shingles, Metals, Iron, Steel, Bridges, Posts, etc., against rust, corrosion, decay and leakage. One generous coat of the Peerless Preserving Paint has been found equal if not superior to three coats of any other Paint, and we guarantee it will not scale, crack, or run, it being possessed of a body when applied in which there is no OIL, SPIRITS OR EVAPORATIVE SUBSTANCE. In using this Paint upon a single roof its FIRE-PROOF qualities are one of the chief advantages, as it renders the roof impervious to sparks which may fall upon it in the driest season without the slightest injurious effects. The main features which the PEERLESS PRESERVING PAINT offers for its use upon roofs are its thorough resistance to any action of heat or cold, and its wonderful PRESERVING qualities which fully prevent any action from either RUST OR DECAY.

We are prepared to execute and carry out special contracts for the application of the PEERLESS PRESERVING PAINT on any of the Islands. All contracts undertaken by us will be fully GUARANTEED. Our prices for this class of work are extremely moderate, and roofs to which Paint is applied by us are guaranteed against leaks, cracks, scales or runs for a period of years, estimated upon the age of the roof when the work is performed.

Examinations made and estimates given in all work free of charge, and references given by application at our office.
